Welcome Message

We invite you to join us in Paris, France from the 26th to the 30th of June, 2012 at the Summer Conference of Egyptian Scientific Society of Bronchology (ESSB), in collaboration with the Department of Respiratory Medicine and Intensive Care, Pierre et marie curie-Paris 6 University and the Egyptian fellows of the American College of Chest Physicians (ACCP).

This overseas Summer Conference of ESSB will continue the extraordinary success of the preceding 11 annual conferences and will provide a legacy for those to come. The lectures and discussions during this Congress will cover every aspect of basic research in Bronchology, Pulmonary medicine and Critical Care and will also bring forth the latest innovations in these aspects.

We are honored to have a number of distinguished international guests and local experts in this field join us to share their valuable insights and enlightening experience at our conference. Participants will have ample opportunity to learn and discuss any respiratory issues with our team of experts at the meeting.

In addition to an exciting scientific program, you will benefit from the wonderful early summer, June being the nicest season in Paris. The social program will boast some unique events and participants will have sufficient time to enjoy the exclusive sights and culture of Paris one of the world's most exciting travel destinations. Moreover, the cultural background and historical landscape should contribute towards making this event an unforgettable moment.

We look forward to welcoming and hosting you in Paris in June 2012 at the Summer Conference of ESSB, and sincerely hope that you will join us to make this endeavor a success.
